MEMORANDUM FOR: Distribution

SUBJECT: PFIAB Review of the NRO (S/TK)

1. The Assistant to the President for National Security Affairs requested the PFIAB, the DCI and the SecDef to produce a joint follow-on study to supplement the PFIAB Review of the NRO that was completed last December. A joint working group, including representatives of the PFIAB, the DCI and the SecDef, was established for this purpose and met most recently on 13-14 June 1984 to produce a final draft for review by the principals. We believe the working group has resolved all outstanding issues. (S/TK)

2. The final draft is attached for your personal review. We plan to forward it to the DDCI and DCI on 3 July and would appreciate any comments you have by COB 2 July. My action officer for this matter is telephone (U)
